**Subject: Manufacturer's Declaration of Identity – Class A AIS**

To Whom It May Concern,

We, **Digital Yacht Ltd**, as the certified manufacturer of maritime navigation and identification equipment, hereby officially declare the following regarding the product identity of our **Class A AIS transponder**:

1. **Digital Yacht Ltd** is the legal manufacturer and holder of the Type Approval / Marine Equipment Directive (MED) Certificates for the Class A AIS equipment.
2. The equipment is commercially marketed, labeled, and sold under our commercial brand name "**DIGITAL DEEP SEA**" with the model designation "**CLA2000**" (also referred to as "**DIGITAL DEEP SEA CLA2000**").
3. We confirm that the units labeled as **DIGITAL DEEP SEA CLA2000** are identical in hardware, software, components, and manufacturing origin to the units tested and certified under our parent company name, **Digital Yacht Ltd**.

Therefore, the attached Type Approval and MED certificates fully cover all units bearing the **DIGITAL DEEP SEA** or **CLA2000** labels.

Please accept this formal declaration as verification of compliance for vessel registration and inspection under the Greek Flag.

Signed:

A handwritten signature in black ink, appearing to read "Nicholas Heyes".

Nicholas Heyes,  
Chief Executive Officer
